

## Update on progress with Neighbourhood Plan:

Newsletter 6, December 2014

Dear Residents of Arne Parish

- Following the successful second information evening held on Wednesday 12<sup>th</sup> November, a summary of the findings of our parish survey is now available on our website, together with a report on the housing outcomes from the evening
- The Neighbourhood Plan (NP) steering group is committed to consultation with all our residents. **It is very important to us.** If you have any comments to make after you have scrutinised the information on the website, please contact our Clerk (details below), who will direct your views to the steering group
- Following the November meeting, the steering group (SG) met to discuss the way forward. We agreed that we need to be thinking about the format of the NP, even though there is still more evidence to gather. As a result, working group chairs have undertaken to agree the objectives that have arisen from their discussions thus far and, if possible, to start thinking about the policies that may arise from these objectives, based on all the evidence gathering so far
- I think it fair to say that the SG now appreciates that the bulk of the NP will be framed around housing issues but there is a need to develop policies on flooding management, further to those that are already in place. We are, therefore, asking for more members to join Vivienne Ward's working group on the Environment. If you would like to join the group, please contact the Clerk (details below)
- A reminder: Below, we again publish the winning numbers for the draw held at the November information evening. These have also been published on parish noticeboards but several prizes remain unclaimed. It was decided at our recent SG meeting that, if the prizes are not claimed by 31<sup>st</sup> January 2015, the perishable items will be donated to the Wareham Food Bank. The cash prize will be deposited back into our funds. To claim your prize, please contact: Cllr Richard Bessant on 01929 553516
