Dear Amanda

### Neighbourhood Plan Area Designation consultation

I can confirm that the consultation period is now over. We received seven responses which are summarised and attached. Sue Bellamy will forward the full comments and our responses, where appropriate, by email.

I am happy to approve this request on behalf of Purbeck District Council and would like to take this opportunity to wish you and the steering group well with this project. Please contact Sue Bellamy to arrange an initial meeting with the steering group once you have one.

Yours sincerely
