

# Community Drop In for The Win, Corfe and Tadnoll Brook Catchments

**We understand that homes and businesses in your community may have been affected by flooding in recent months.**

**Join us** to share your experience of the recent flood events so we can better understand the impacts of flooding in your community.

**Speak to** the Environment Agency, Dorset Council, Highways, Wessex Water, The Farming and Wildlife Advisory Group, Natural England and Partners about this winter's flood events and the issues affecting you.

**Find out** what support is available, and how you and your community can recover, be better prepared and build resilience.

**Friday, 19th April**

**3-7pm, Winfrith Newburgh Village Hall, DT2 8LR  
(Parking is limited, so please car share where possible.)**
