## **9. Governance Matters**

**9(a) To consider the recommended appointment of Ms Paula Harding as the Council's Internal Auditor for year ending 31 Mar 2026.**

**25.195(a)** The members noted that Paula Harding, of Barker Fox Associates, has extensive experience of all relevant aspects of the Parish and Town Council sector, has a number of P&TC Internal Audit clients across Dorset, and is entirely independent of Arne Parish Council and its members. In the light of this the Council **APPROVED** the Clerk to approach Ms Harding with a request to undertake the Internal Audit of Arne Parish Council for year ended 31 March 2026.

ACTION: THE CLERK

**9(b) To review the Council's Risk Register.**

**25.195(b)** The Parish Clerk had provided an updated draft copy of the Council's Risk Register and Control Plan in advance of the meeting for the consideration of the members. A copy is associated at **Appendix 3** to these minutes.

**9(c) To confirm the timetable of Council meetings for 2026.**

**25.195(c)** The Parish Clerk had prepared and circulated to members a draft timetable of Council meetings for 2026. **9(d) To consider requesting the Council's new website supplier to also provide dedicated .gov.uk domain email addresses for the Clerk and all Council members for all Council business – in compliance with the new “Assertion 10” as part of the Annual Governance & Accountability Return (AGAR).**

**25.195(d)** The Parish Clerk reported that Aubergine 262, the suppliers of the new website have quoted £60.00 per year to provide and host a set of dedicated .gov.uk email addresses for all Parish Council members and the Clerk. This step will complete the required compliance with all aspects of the new “Assertion 10”. The new email addresses can be set up very quickly – i.e. well before the financial year end. After brief discussion it was unanimously **RESOLVED** that the Clerk should contact Aubergine 626 with a request to provide .gov.uk email addresses for the members and the Clerk as recommended above.

## **10. Parish Reports**

### **25.196 Councillors' Reports on meetings attended:**

Cllr Ives reported on meetings he had attended to support the progress of completion and installation of the security container for the generators as part of the Resilience Hub. He also provided a brief summary of the aims and the main events as part of this initiative for the new Council members. Cllr Ives explained that the container manufacturer / supplier had hoped to install it at the Village Hall on Friday 16<sup>th</sup> January, however this left too little time to liaise with the Hall Trustees, as well as potentially causing disruption to other hall users due to the likely noise involved. It was agreed that Cllr Ives would liaise with the supplier and the Hall Trustees regarding suitable timing for the installation to take place whilst Cllr Cranshaw would approach the Hall Trustees about signing the agreement.

Stoborough Meadow Residents Association – Nothing to report.

Ridge Residents Association – nothing to report

Stoborough Primary school – nothing to report

### **25.198 Hayricks:**

It was noted that due to the season and the inclement weather little is happening and so there was nothing to report.

### **25.199 SANG:**

Nothing further to report.

### **25.200 Allotments:**

Cllr Duckworth reminded everyone present that a further approach needs to be made to Adam Smart to arrange for the remaining two vacant plots to be covered.

**25.201 Councillors Climate & Ecological Support Group:** It was noted that the next meeting is scheduled to take place on Monday 19<sup>th</sup> January. Cllr Duckworth indicated his intention to attend.

**11. To consider Planning Applications received**

**25.202 (i) Delegated –**

There were none.

**(ii) To note the following Planning application responses submitted in December 2025.**

- P/HOU/2025/07045 18 Old Furzebrook Rd. No formal objection, but commented that APC members wondered whether occupiers of neighbouring properties might consider a potential risk of loss of privacy through overlooking. In addition the Clerk had commented on behalf of one Council member that the reasoning given in the application “to provide more headroom” was unhelpful given the ambiguity and lack of context to this statement.
- P/HOU/2025/07162, 2 Puddletown Rd. No objection.
- P/HOU/2025/07154, 38 Stoborough Meadow. No objection.
- P/TRT/2025/069320, 16B Barndale Rd – removal of tree. No objection, although the suggestion was made that it would be best to replace the tree with a native species.

**12. To note any update following the Speed surveys carried out on Furzebrook and Grange roads.**

**25.203** The Parish Clerk reminded those present that he had written to Mr Joe Allen of the Dorset Council Road Safety team. In an email reply on 5<sup>th</sup> November Mr Allen had agreed to re-examine the possibility of a speed limit reduction on the residential part of Furzebrook Rd which is within the Arne Parish – after the DT Road Safety team had originally rejected the request for such a reduction. There has not yet been any update from Mr Allen regarding this possible re-consideration.

**13. To receive a further update on the initiative to provide a water supply to the Allotments.**

**25.204** The Parish Clerk reported that there has been no progress made on this since the last meeting - due to other priorities. However, recent contact had been made with Wessex Water and arrangements made for a second visit by their Inspector for a site meeting with the Clerk as soon as possible to verify the exact point of entry of the supply onto the allotment site. This is necessary to ensure exact details are given to prospective contractors who will quote for the trench and pipework on the allotment site itself.

**14. To receive a further update on the project to replace the Council's current website.**

**25.205** The Parish Clerk reported that the work on the development of the new website is almost complete, and it will be ready to go live in early February. Members were provided with a link so that they could view the new website. They were encouraged to provide feedback on it.

The Clerk explained that there are still a few optional extras to add either before the site goes live, or subsequently. These included matters such as drone video footage (which is probably better

taken during the spring or summer to show the Parish at its best), a list of local walks, a list of community clubs and societies, and a photo of each Council member.

**15. To consider the initial steps in undertaking a review of the Arne Neighbourhood Plan**

**25.206** It was suggested that the Parish Clerk should approach Mr David Evans, a former Town Planner, for some advice about what might be involved in making adjustments to the Arne Neighbourhood Plan. It was noted that Mr Evans had previously been very helpful in providing some very valuable insights and guidance during the Dorset Local plan Options consultation in 2025.

The Parish Clerk was also asked to seek available dates from all members for an informal meeting to discuss this matter further.
