Please give a general description of the premises (please read guidance note 1)  
 A wildlife nature reserve with a shop and café on site.  
 We wish to sell sealed alcohol within the shop as gifts, and alcohol to be drunk with food in the café and within the outside café seating area.  
 We also wish to sell alcohol at special events throughout the year which will have designated drinking areas for example Pull a Pine. This will be in a tent or a marked area.

We have attached an aerial map of Arne outlined in blue. Any events that might sell alcohol as part of the event, would be within this area. The main event we are thinking of is Pull a Pine which runs every Dec. This event moves due to the nature of the event, so we can be specific in it's location.

If 5,000 or more people are expected to attend the premises at any one time, please state the number expected to attend.

## M

Describe the steps you intend to take to promote the four licensing objectives:

### **a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)**

Our intention is to provide an enhancement to our visitor experience whilst promoting and supporting local produce.

### **b) The prevention of crime and disorder**

We are a nature reserve, visitors come here to enjoy the peace and tranquillity. Shopping and eating is an enhancement to the visit, rather than the purpose of the visit. The alcohol sold in the shop is to support local businesses and as a gift item, not to be drunk onsite. The café will have a limited offer of locally sourced produce, all purchases will be age checked at 25! All staff will be trained by our license holder and recorded on site.

### **c) Public safety**

We will display a sign in the café and carpark recommending responsible driving. We have numerous first aid kits on site, 2 within the Shop and Café we also have a defibrillator on the outside of the building. All our fire exits will be kept clear at all times.

### **d) The prevention of public nuisance**

Alcohol is mainly served between 9-5, except for events mentioned above. These are all small events and activities generating income for wildlife conservation. All events are fully staffed and serving staff will be instructed by our license holder on how to refuse service should this be necessary. This will be recorded in a refusals book. All events will be finished by 11pm. We provide bins for all rubbish from products bought on site, we also do regular litter picks. Noise levels will be low, we are primarily a nature reserve, therefore we will not do anything that will ultimately disturb wildlife or the public.

### **e) The protection of children from harm**

Children are supervised by parents at all times on the reserve, and reserve staff and volunteers are never left with sole responsibility for children. All staff and volunteers have done basic safeguarding training. Internal procedures are in place regarding safeguarding concerns. Alcohol in the shop and cafe will be sealed and out of reach. All purchases will be age checked at 25!

**15. Entitlement to work/immigration status for individual applicants and applications**

**from partnerships which are not limited liability partnerships:**

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

### **Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
