The following issues have been raised as we have detected issues with the governance arrangements of the smaller authority. It is recommended that the smaller authority consider these matters and decide what action to take to improve the governance arrangements as soon as possible.

Accounts approval

What is the issue?

The Accounts were approved after the commencement of the inspection period of the exercise of electors' rights.

Why has this issue been raised?

The Accounts and Audit Regulations 2015, reg 15(3) specifies that the Annual Governance statement must be approved. This is followed by the approval of the Accounting Statements. Both statements must be published including on a website with the notice of electors' rights. The electors' rights period should start on the following day. The smaller authority has not complied with the Accounts and Audit Regulations 2015.

What do we recommend you do?

The Smaller Authority must ensure in future years that the electors' rights inspection period commences after the accounting statements are approved. The Smaller Authority must also consider how to answer the question concerning the electors' rights period in the Annual Governance statement next year. The period of electors' rights that they must be considering is for the 2016/17 year as that is the period that has occurred during the year.

Further guidance on this matter can be obtained from the following source(s):

Accounts and Audit Regulations 2015
