

## PROPOSED TEMPORARY CLOSURE OF WESTMINSTER ROAD, WAREHAM

I have received an application from SGN to close Westminster Road, Wareham from the junction with Carey Road to outside The Westminster Wire Factory Ltd, 9 Westminster Road (in both directions), a distance of approximately 200 metres. The closure has been requested to allow SGN to replace a gas main. These works are programmed to commence from 16th January 2023 until 10th February 2023.

SGN will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Tom Faulkner, (trafficteam@dorsetcouncil.gov.uk) by 12th December 2022.
